Re 130200005
St. Clair County
Sage Sites Area II

Dear Mr. Child:

As a reminder, I am waiting for a response to my letter to you of January 16, 1990, copy enclosed.

Although I have not received a response from you, while I was out of town, I received a notice of a meeting of your division. I have also received meeting notices from other parties and have been contacted to participate in an agreement to perform an investigation and do remedial work for Area II.

Obviously, I continue to receive these notices and requests because you continue to include me on your listing of potentially responsible persons ("PRP"). As indicated in my letter to you of January 16, 1990, I should not be included as a PRP. Please remove me from your list as soon as possible.

Yours truly
William J. Shive
